Announcing the Stefan Moldovan Prize for 2025

Dear Publisher,

We are pleased to announce the solicitation of titles for the 15th annual *Stefan Moldovan Prize for Israeli Security Studies*. This prestigious prize has previously been awarded to authors of outstanding Israeli security works in the Hebrew language, but this year will be expanded to include works published in English.

The Trustees of the Stefan Moldovan Foundation have generously allocated an additional \$5,000 (USD) to commemorate Mr. Moldovan, a Holocaust survivor, who throughout his life demonstrated a strong commitment to the security of the State of Israel.

We invite you to submit high quality titles (published since 2021) that make a direct contribution to the security of Israel. Suitable works include those concerning military issues, news media and security, global politics, and social media all having an impact on the security of Israel. The ceremony for the awarding of the 2025 Moldovan Prize will take place in Israel on March 24, 2025, and winners will be welcome to address the audience in Jerusalem, either in person or via Zoom. The Stefan Moldovan Prize Committee will, in addition to awarding the prize, promote the winning book on various media outlets.

Kindly attach a short bio of the author as well as a description of the book, and send **two** hard copies and **two pdf files** per title no later than **February 7, 2025** to:

Dr. Yehuda Shalem
11 Shimon Street
Ofra, Israel 9062700.

Most Sincerely,

Dr Ron Schleifer
Chairman of the Prize Committee
